Exhibition Trailer Hire - UNIT FIVE

Finished in white unit Five has a 5m body length with a 3m opening door canopy and fold down steps. There is a rear personnel door for access and security. Your company branding can easily be applied to the unit. It has two 4m flag poles and it can be branded with a roof banner and wall panels. We can arrange and supply all branding for you upon request.

Facilities inside include: full size fridge, kettle, microwave, sink, desk and storage for brochures, gadgets and personal belongings plus it has seating for up to six people. A 32" TV and DVD player allows you to make Powerpoint or Video presentations during the event and there is internal lighting and power sockets. A power supply from the event venue is required or alternatively we can supply a generator.

This trailer can have a marquee extension fitted to provide extra cover and protection from the weather. External tables and chairs can also be supplied with the unit as well as Topiary trees and plants.

Ambition will deliver and set up the trailer on site and apply your branding. So all you have to do is turn up and concentrate on your products, your customers and your show. Other show services are available.

We also supply a range of accessories to enhance your show stand, contact us for more details and to discuss your requirements and bookings.
